## WE HAVE BEGUN THE NARRATIVE LECTIONARY

The Narrative Lectionary is a four-year cycle of readings for use in worship and preaching. The goal is to preach annually through the biblical narrative so that the lives of believers might be centered in God's story. Each week there will be one lesson read that connects us with the story of God and God's people. In addition daily readings will be provided that can be used in the week ahead. As we read the story of God's people we see it connect with our story.
